

Compound Miter Saw
255mm-1650W

5101

- Powerful brushless 1650W motor delivers 3800 RPM for maximum productivity and top performances in different functions
- Made from high quality material which secures precise cutting in different angles and applications
- Adjustable and expandable base extensions for additional work-piece support
- High durable brushless motor ensures longer lifetime and higher efficiency
- Compact design and lightweight for job site portability
- Horizontal D-handle design for better fit and easy and comfortable operation
- Advanced table locking system for fast and precise setting in common angles by using 9 stop points
- Efficient dust collection system enables cleaner operations
- Material clamp for secure fixing of the work piece from the top
- Spindle lock system for easy and fast wheel changing and safety mechanism
- Anti-dust switch for reducing dust penetration

Model	5101
