

Air Texture Hopper Gun

RH-6501

- High-performance spray gun with three different nozzles (4mm, 6mm, 8mm) which control the flow and painting's amount to meet different painting needs to achieve better results
- Heavy-duty plastic hopper makes it ideal for continuous painting and the durable frame contributes to long service time
- With an easy-pull swing trigger, you can easily control the operation by adjusting the pressure on the trigger
- The handle on the cup is beginner-friendly and make finishing tasks easy
- The compact size makes it ideal for family use, perfect for spray painting and staining a smooth finish on furniture, cabinets, crafts, dressers and ect
- Light-weight design which fits perfectly in your hands and helps you spray longer without fatigue
- Ergonomic and non-slip handle for easy holding and operating for a long time
- High-quality brass cap and stainless spray nozzle are anti-rust and ensure more durability and more pressure
- Mainly used for outside wall spraying and panting
